## *A Heritage Event & Location Venue*

**Oundle School and town offer an historic backdrop for any heritage event from film location and vintage car rallies to fundraising events, fairs and arts festivals.**

The School already works closely each year with the Oundle Festival of Literature and the Oundle Festival of Music and Drama, hosting concerts, plays, readings and recitals in many locations. Oundle School also hosts the Oundle International Festival's many events and large outdoor firework concert.

The Yarrow Gallery is highly adaptable for activities such as poetry readings, plays and small concerts as well as exhibitions. The Great Hall can accommodate an audience of up to 450 and the School Chapel offers a contemplative and inspirational venue for music, bathed on summer evenings with sunlight from the John Piper stained glass windows.

# *A Heritage Event & Location Venue*

The unspoilt character of the School and town offers opportunities for film and TV location work. Beautiful school buildings dating back to the sixteenth century nestle within a quintessentially English market town, built mainly of limestone and with many listed buildings of architectural merit.

Oundle School Enterprises offers any film or production company unrivalled facilities.
