A Unique Location

We offer conference amenities for up to 450 delegates alongside indoor and outdoor team-building activities, either at the School or off campus with key partners. Our beautiful buildings and immaculate grounds provide a glimpse of a rich historical heritage. They offer a unique backdrop for wedding receptions, celebrations, cultural events and product launches which can be held inside or outside in gardens or in the Cloisters.

Sports facilities at Oundle School are excellent: tennis, track and field, rugby and cricket are centred around a dedicated sports facility that has been recently extended to provide classrooms, a fitness suite and fives courts. The Sports Centre comprises two fully equipped sports halls, one with an 8-metre climbing wall. Guest trainers and motivational speakers can add to a memorable and inspiring visit.

The fourteen Boarding Houses can each accommodate up to sixty-five students, providing flexible accommodation for summer schools. Classes and seminars can be held in historic buildings, a state-of-the-art science block and a professional theatre. A team of dedicated staff, fully experienced in looking after and catering for over a thousand students in term time, is on hand to work with our clients.

For more information about our facilities, for booking forms or to check availability please contact:
